Less time in the details. More time for the big picture.

EndNote® gives you the flexible tools you need for searching, organizing and sharing your research.

It allows you to easily create bibliographies while writing your next paper with features like Cite While You Write®.

Maximize your time with features like finding full text for your references and automatically updating records.

Whether you're on your desktop, online, or iPad, EndNote's syncing capabilities let you access all of your references, attachments, and groups from anywhere.

Collect:

Import your PDFs, then let EndNote find the rest.

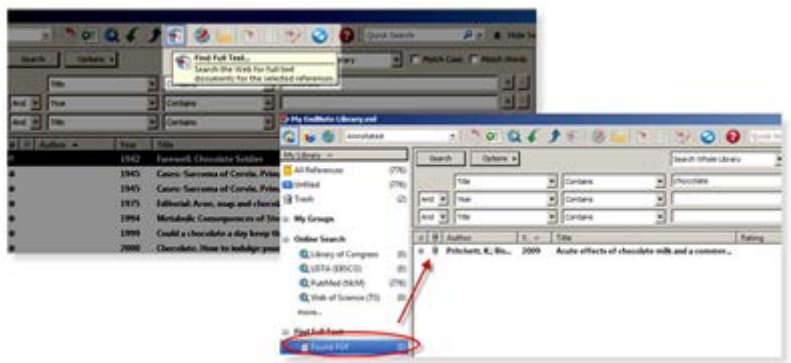

- Search hundreds of online resources to collect references and PDFs.
- Import the PDFs you have on your computer.
- Select the reference you want to find the full text for and EndNote will find them for you in one click.
- Easily find and fill in missing and incomplete information.
- Import records from PubMed with the new direct export format.
